

Prasanthy Bhaskaran

FULL STACK WEB DEVELOPER

Profile

Greetings! I'm Prasanthy Bhaskaran, a seasoned Accountant embarking on a transition into the tech world as a Junior Full-Stack Developer. With expertise in the MERN stack, DevOps, and Cloud technologies, I bring a unique blend of culinary precision and coding creativity to the table. My goal is to elevate teams and contribute innovative solutions, offering a distinctive skill set for a dynamic tech role
